

United States Department of State

Washington, D.C. 20520

SEP 24 2009

Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement to include the export of defense articles or defense services sold commercially under contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the transfer of defense articles, including technical data, and defense services to support the Proton launch of the W7 Commercial Communication Satellite from the Baikonur Cosmodrome in Kazakhstan.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Richard R. Verma
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 108-09

Speaker of the House of Representatives.
